

## Angel Memorial Plaza • Healing Garden Project •

We are so excited to announce that the Town of Parker Public Works Department has approved a landscaping plan for our RTF Angel Memorial Plaza.

It all started when an Eagle Scout candidate approached us asking if we might be in need of some help sprucing up the memorial plaza with some plantings and landscaping as a potential community service project to earn his Eagle with the Boy Scouts of America.

The town of Parker Public Works Department was more than happy to assist us with the development of a plan to landscape the Memorial Plaza in two segments.

A portion of this was funded and completed as part of the Eagle Scout project. The rest is up to us.

**The Public Works Department has generously agreed to donate all the labor and design work for the project, so we are responsible only for the materials.**

**The estimated retail cost for this project is \$15,000.**

### HOW YOU CAN HELP:

- Donate to the landscaping fund.
- Be a Business Sponsor and benefit from our generous marketing offer
- Sponsor a tree, other plants or landscaping materials from our wish list.
- Let us know if you or someone you know is willing to help with decorative cement work, landscaping materials, or nursery plantings.

**A detailed list of the items needed for our project will be available soon on our website.**

**With your help, we can complete this project and make visiting the Angel Memorial Plaza an even more peaceful and beautiful experience.**

Email or call with any questions about this project. Donations are tax deductible as allowed by law.

**Thank you for your consideration!**
